

## AE1200 | Wireless-N USB Adapter

Upgrade your notebook or desktop computer to enjoy the top performance and range of Wireless-N. Simply plug the adapter into your computer's USB port to surf, share, chat, and play online wirelessly.

### Ideal for:

- Connecting a computer to your wireless network
- Upgrading to Wireless-N for top performance and range
- Web surfing, email, and chat

### Key features:\*

- Wireless-N technology for top performance and range
- High Speed (up to 300 Mbps) for fast wireless transfer rates
- Extended range with multiple (MIMO) antennas

# Linksys AE1200 | Wireless-N USB Adapter

## High speed

Upgrade your computer with the freedom and reliability of Wireless-N. Just plug the USB adapter into your notebook or desktop computer to wirelessly connect to your network. With transfer rates up to 300 Mbps you'll enjoy a powerful networking experience for surfing, chatting, sharing or playing online.

## Extended wireless range

MIMO antennas boost signal strength to provide exceptional coverage and reliability so you can enjoy wireless connectivity from anywhere in your home.

## Advanced security

Advanced security features such as WPA2 wireless encryption help you keep your data protected.

## Easy setup

The included Linksys Connect setup software installs your adapter quickly and makes going wireless easy.

## Setup & manage with ease

- ✓ Setup in few easy steps
- ✓ Customisable parental controls
- ✓ Instant guest access
- ✓ Optional advanced settings

## MINIMUM SYSTEM REQUIREMENTS

**Web Browser** Internet Explorer 7, Safari 4, or Firefox 3 or higher for optional browser-based configuration

**PC** PC with CD or DVD drive, running Windows XP SP3, Windows Vista SP1 or later, or Windows 7. Available USB 2.0 port.

## PACKAGE CONTENTS

- Linksys AE1200 Wireless-N USB Adapter
- CD-ROM with Linksys Connect software and resources

## TECHNICAL SPECIFICATIONS

Model	Linksys AE1200
Technology	Wireless-N (also works with 802.11b, 802.11g)
Band	2.4 GHz
Transmit/Receive	2 x 2
Antennas	2 Internal
Software Setup	Linksys Connect
OS Compatibility	Windows
Package dimensions	21,7 x 13,9 x 5,7 cm (w x h x d)
Warranty	2 year hardware limited warranty
Radio Specs:	
Operating Frequency:	2412-2472 MHz,
Max Output Power (EIRP):	17.92dBm,
Antenna Gain:	- 1.20 dBi,
Antenna Type:	PCB Printed .
Power Specs:	Input 5V DC <0.5A (USB Port)

\*Maximum performance derived from IEEE Standard 802.11 specifications. Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends on many factors, conditions and variables, including distance from the access point, volume of network traffic, building materials and construction, operating system used, mix of wireless products used, interference and other adverse conditions.
