| <b>100-Word Product Description</b>          | The CORSAIR SABRE PRO Gaming Mouse is designed for and tested by esports pros, weighing an ultra-light 69g and equipped with a drag-reducing flexible paracord cable for responsive, unhindered movements. CORSAIR QUICKSTRIKE Buttons ensure every click is immediate and responsive, while CORSAIR AXON hyper-processing technology delivers inputs to your PC up to 8x faster with 8,000Hz hyper-polling. The SABRE PRO is equipped with an 18,000 DPI optical sensor customizable in 1 DPI steps, with an underside DPI button to cycle through five presets on-the-fly. Finished with high-quality materials such as 50 million click-rated OMRON switches, 100% PTFE glide pads, and a signature plate for your personalization, the SABRE PRO will cut through the competition. |
| <b>50-Word Product Description</b>           | The CORSAIR SABRE PRO Gaming Mouse is designed for and tested by esports pros, weighing an ultra-light 69g and equipped with a drag-reducing flexible paracord cable for responsive, unhindered movements. CORSAIR QUICKSTRIKE Buttons ensure every click is immediate and responsive, while CORSAIR AXON hyper-processing technology delivers inputs to your PC up to 8x faster with 8,000Hz hyper-polling.   |
| <b>25-Word Product Description</b>           | The CORSAIR SABRE PRO Gaming Mouse is designed for and tested by esports pros, weighing an ultra-light 69g and equipped with a drag-reducing flexible paracord cable for responsive, quick movements.  |
| <b>Product Features (Style 1)</b>            | <ul style="list-style-type: none"> <li>CORSAIR CHAMPION SERIES products are designed for and tested by top esports professionals – helping to carry you to victory with a tournament-grade mouse featuring a comfortable ergonomic shape for claw and palm grips, long-term comfort, and fast movement with hyper-responsive inputs.</li> <li>Weighing in at an ultra-light 69g to support rapid movements and twitch reflexes, the SABRE PRO's sturdy design keeps up with your longest matches.</li> <li>CORSAIR QUICKSTRIKE buttons use a spring-loaded design, delivering zero gap between the primary mouse buttons and their switches, so your clicks, shots, and spells are faster than ever.</li> </ul>  |
